June 2018

Dear Parents:

Students taking Advanced Placement classes and some Honors classes are required to complete a summer assignment to prepare them for the rigor of the course(s). The aforementioned assignments are posted on-line and can be viewed by visiting the East Islip High School Web Page.

To ensure that our students are prepared to complete their required summer assignments, the Advanced Placement teachers will be available to meet with them on Thursday, June 21<sup>st</sup> from 8:00 AM until 10:00 AM in the High School Library. This forum will afford students an opportunity to have directions clarified and questions answered. In addition, resources such as required reading materials can be obtained.

At this time, students are encouraged to review the assignment(s) they need to complete, so that any questions they have can be addressed by the teacher(s) on Thursday, June 21<sup>st</sup>. We are confident that this opportunity will ensure that our students are prepared to complete these important assignments which will help prepare them for the challenges of our most rigorous curriculums.

Sincerely,

*William J. Brennen*

William J. Brennen  
Principal

xc: All Guidance Counselors  
All Advanced Placement Teachers  
All Directors  
J. Dolan  
P. Manzo
