

East Islip High School PTSA

Welcome to the 2018-19 school year. The East Islip High School Parent Teacher Student Association (EIHS PTSA) is privileged to include students as active members in our chapter of this national organization.

Our monthly meetings are an opportunity to share information, ask questions and voice opinions. In attendance you will find our building principal, Mr Bernard, as well as members of the faculty, student class representatives, community members like yourself and, often, other district administrators. Your membership dues assist with funding scholarships earned by graduating seniors and allow us to provide educational programs for students and their families. We will be utilizing the *Remind* App as an easy way to stay in the loop. Come to a meeting, we'll show you how. We are thrilled to be able to count on your support. Please complete the attached membership form. Feel free to reach out with any questions or concerns.
