December 2018

Dear Parents and Students of East Islip High School,

On Thursday, January 3, 2019, from 7:00 p.m. to 9:00 p.m., East Islip High School will host our annual Curriculum Fair in our auxiliary gymnasium.

The purpose of our Curriculum Fair is to inform our students and parents about the outstanding academic opportunities available here at the high school. During the evening, students and parents will have the opportunity to learn more about the many electives available at the high school. In addition, representatives from our co-curricular programs and clubs will be available to share information about the opportunities to participate in these after school activities.

There will also be Advanced Placement (AP) informational meetings in our library at 7:30 p.m. and 8:00 p.m. to discuss the AP opportunities available at the East Islip High School.

This year students will be able to view the information during their physical education classes on January 2 and 3 as a preview to the evening event.

We look forward to seeing you on Thursday, January 3, between 7:00 p.m. to 9:00 p.m. for our Curriculum Fair to highlight the wonderful opportunities available to our students at East Islip High School.

Wishing you happy holidays and a healthy new year.

Sincerely,

Mark Bernard
