

FOR ELEMENTARY SCHOOLS:

TEMPLATE OF LETTER TO BE SENT IN THE FIRST MAILING

August 2020

Dear Parent/Guardian of \_\_\_\_\_,

The East Islip School District has been made aware that your child has an allergy which may be life-threatening. In order to assure that your child is as safe as possible when at school, we ask that you read the attached section of the district's Food Allergy Policy. It lists the parent responsibilities which are important to maintain your child's wellness.

After reading the information, kindly sign and return the tear off to your school nurse's office by September \_\_\_\_\_.

In an effort to keep our schools allergy free, we ask that **all** parents refrain from sending in any food or latex balloons for any celebrations.

Thank you for your support and cooperation.

Sincerely,

(Building Principal)
