

East Islip High School PTSA

Welcome to the 2021-2022 school year. As we begin this current school year filled with new experiences, one thing will stay the same: The East Islip High School Parent Teacher Student Association (EIHS PTSA) will still be here to help you navigate through the school year. We are delighted to continue the tradition of having Students, Faculty, Staff and Parents all work collectively to support our unit of this National Organization. Your membership dues assist with funding scholarships earned by graduating seniors and allow us to provide educational programs for students and their families.

Our monthly meetings are an opportunity to share information, ask questions and voice opinions. In attendance you will find our building principal, Mr. Bernard, as well as members of the faculty, student class representatives, community members and often other district administrators.

This year we are encouraging you to join the PTSA via our on-line store. You can join our PTSA by visiting our PTSA Member hub and become a member in just a few steps.

1. Visit Memberhub.com
2. Log in or create a new username/password
3. Click on **Shop** at the top of the page
4. Add the membership you are interested into your cart and pay

If joining on-line is not for you, you can still join via our membership form. Please fill out and return to the front office of the High School.

In order to be eligible for the PTSA scholarship, a student must be a PTSA member for a minimum of two years and must be actively involved in PTSA.

If you have any membership questions, please contact Cheryl Pepe at 631-559-2381 or e-mail at pepemom5@gmail.com.

Thank you for your continued support!
