

## **Student & Parent Parking Permit Notifications**

### **Attention Incoming Senior Class Students:**

The procedure for applying to the Senior parking permit lottery will change slightly this year. Instead of completing a paper copy of the application you will be required to complete an application on a Google Form. Please go to the following link to complete the application. Applications already submitted on paper will be accepted, however it is recommended to complete the online form as well.

<https://forms.gle/mCkmfir2JYLEAGbR7>

Applications must be filled out by Tuesday, September 14, 2021, lottery will be held Wednesday, September 15, 2021. Applications can only be filed by seniors that possess a Class D license (interim licenses are not acceptable). 70 permits will be awarded for the High School lot and 25 permits for the ECC lot. If you are selected in the lottery you will receive an email to your school issued email with further instructions.

A new lottery will be conducted at the start of each marking period and a new form will be distributed through Parent Square and posted to the district website. New applications will only be needed to be completed by students that had not previously applied for prior marking periods.

### **Important Information**

- Misleading or inaccurate information will invalidate this request for participation in the lottery.
- Illegally parked cars may be towed off school property at the owner's expense.
- Any unauthorized use of vehicle, such as leaving for lunch, will result in permit being revoked for the remainder of the school year.
- You will be required to present your Class D license before receiving paperwork to get your parking sticker.
- Parking permits are a privilege and the issuance and continuance are subject of compliance to the Student Code of Conduct and may be revoked or suspended by administration.

Thank you for your cooperation.

Best Regards,
