

Dear JFK Families,

The For the Kids (FTK) Foundation is proud to announce their annual gala, “The Spring Gala,” which will be held on Friday, March 11th at the Irish Coffee Pub in East Islip. FTK is a charitable non-profit foundation that has worked to raise over a million dollars for the East Islip School District to benefit the students of East Islip. The members of FTK work towards a common goal of providing the best opportunities “for the kids.”

We would like our school community to show their support for FTK. We will be collecting donations to be used to create a grand prize basket to be used to raise money for FTK at “The Spring Gala.” We are asking for a \$5 donation towards this basket or whatever amount you are comfortable with. Please send in your donation in an envelope marked “FTK Gala Donation” and return it to the Main office by Friday, February 18, 2022.

Your donation will assist the FTK Foundation that works very hard for the students of the East Islip School District.

Please contact me if you have any questions about donations, or if you would like to purchase tickets for our Spring Gala.

Thank you for your support!

Sincerely,

Lauren Kelly

JFK FTK Representative
