September 18, 2023

Dear Parent/Guardian:

Welcome to the 2023-2024 school year.

All students enrolled in an AP class will be required to go online to MyAP.collegeboard.org to register for their course(s). This will also give them access to new instructional resources. These resources include unit guides, personal progress checks, a bank of real AP questions and more. If a student already has an account, please do not make a new account. If you are having trouble accessing your account, please contact The College Board directly at 1-866-630-9305.

Please complete the attached form to indicate the AP exam(s) that your child will take and return the form to the Guidance Office with payment by November 1, 2023. Payments received after our order has been placed will incur an additional charge of \$40 as per The College Board. Please note, once an exam has been ordered, there will be a \$40 cancellation fee per exam as per The College Board.

As of now the structure for the exams are paper-based exams as in the past. The College Board reserves the right to change the format at any time (i.e., Computer-based exams).

We wish your child a wonderful school year. With these resources in place, your child will be prepared to successfully complete their AP exam(s) in May 2024.

Sincerely,

Mark Bernard
