Dear Parent or Guardian,

We are excited to provide parents a convenient and secure online payment service called MySchoolBucks. This website allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, we find that the lunch lines move along much faster, which gives your child more time to eat and be with friends.

If you choose not to take advantage of the online payment service you may continue to make advance payments, at the cashier, either by money order or by check payable to East Islip School District. Please remember to write your child's full name and ID number on the check.

To access this service:

1. Go to the district web site at www.eischools.org.
2. Click the Parents link.
3. Click the MySchoolBucks link.
4. Click MySchoolBucks online payment service.
5. From this website you can create your account and add money to your child's school meal account. All you need is your child's name, school, and student ID number. The instructions listed on following page will guide you through the process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made with a Visa, MasterCard, and Discover credit or debit card. You may also make a payment using an e-check.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$2.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$2.75 fee once per deposit transaction. East Islip School District will not profit from the use of this site.
- Please note that there is an annual Membership option at a cost of \$12.95 per student or \$26.95 per family which will cover payments made by e-check to the Lunch program, Extended Day Care program or any other program on MySchoolBucks. If you choose this option, you will avoid the \$2.75 transaction fee each time a payment is made. This option can be found on the homepage where it says Welcome and your name. Drop down the menu and click My User Profile. Scroll down to Membership and Update Membership to OnePay Membership for E-Checks. Follow the prompts to enter billing information. **This option is only available for payments made by e-check.**

We are very excited to offer this service and are confident that MySchoolBucks will benefit you, your child and our District. If you have any questions about this new service, please feel free to contact Maria Brabender at 631-224-2029 or Ms. Tricia Reed, Director of Food Services at 631-224-2006 ext. 6905.

Thank You,
